## **Five Happy Winners of the Contest Held During the Open Doors Operation**

From September 29 - October 3, Dacia organised the "Open Doors" operation in all showrooms throughout the country so as to allow any interested people to discover the Logan model equipped with a 1.5 dCi diesel engine, as well as the offer of financing products.

As for the contest held on this occasion, there were five happy winners from five different cities. Constantinescu Andreea of Bucharest, Tudose Nicoleta of Braila, Santa Janos of Miercurea Ciuc, Bojtor Laura Gabriela of Oradea and Serban Silviu Valentin of Ploiesti became the proud owners of a Dacia Logan Preference 1.5 dCi, worth EUR 8,225 each. The winning tickets were extracted within a ceremony held at the Dacia showroom in Bucharest (133 - 137 Calea Floreasca), in the presence of a specialised commission. On that same occasion the winners of the 500 Logan 1.5 dCi miniatures, worth EUR 15 each were designated.

During the already traditional "Open Doors" operation, visitors could test the Logan 1.5 dCi free of charge and share in the numerous surprises provided by Dacia. Throughout September 29 - October 3, more than 22,500 people tested the new Logan 1.5 dCi free of charge in the entire Dacia commercial network.
