

### ERRATUM

to the notice announcement on the site [www.groupprenault.ro](http://www.groupprenault.ro) on 19.10.2018 concerning the attribution procedure of the supplying contracts associated with the project « The extinction of the capacity for vehicle production »

Taking into consideration that the document “Preselection criteria (Annex 3)” was mistaken posted, it comes into prominence the following correction :

- The versions of the document Annex 3 « Preselection criteria » posted on 19.10.2018 will be replaced for LOT 2, 3, 4 and 5, in all 3 versions: Romanian, French and English, with the versions of the documents attached to the present address.

For the entuality in wich these criteria suppose completions to the transmitted documents already by the bidders, the deadline for depositing the answers from the first stage, « Preselection » prolongs with 2 days, that means till **26.10.2018, 09h00 o'clock** –Romania time.

Also, it prolongs with 2 days the opening date of the envelopes in the first stage « Preselection», for **26.10.2018, starting with 09h00 o'clock** –Romania time.

The envelopes transmitted won't be opened before 26.10.2018, 09h00 o'clock–Romania time.

In these conditions, it is imposed also the prolongation of depositing the envelopes for the stage «Selection » as follows:

- The deadline for receiving the answers/the offers: on **01.11.2018, 09h00 o'clock** –România time
- Date, hour and opening place of the answers/the offers: on **01.11.2018**, starting with **09h00 o'clock**–România time- Alpha/Omega hall – Acquisitions Platform.
